

OCS Course Summary

Instructions:

- a) Make a copy of this word document for each course that did not receive autocredit. Type your responses, and then upload your completed course summary.
- b) Upload a copy of the syllabus and all relevant course materials for this course.
- c) If available, upload a copy of your program/university transcript.

I. Course Title:

II. Course Work and Assessment:

List/describe your course work. Indicate which items were included in the formal assessment (e.g., final exam) and note the percentage of grade (e.g., 50%). If you did not upload any of these items, indicate why. See sample course elements/document types below:

- Course Notes/Daily work
- Quizzes
- Papers
- Exams
- Other materials - reports (including lab reports)
- Other materials - Media/film
- Class Extras (e.g., site visits, extra-curricular activities relating to the course, and the amount of time spent on them)
- Presentations (printed power points or other evidence of your work)
- Other materials - Journals
- Other materials

III. List additional course elements (not included in the formal assessment). See list below:

- Daily work
- Quizzes
- Papers
- Exams
- Other reports (including lab reports)
- Media/film
- Class Extras (e.g., site visits, extra-curricular activities relating to the course, and the amount of time spent on them)
- Presentations (printed power points or other evidence of your work)
- Journals
- Other

IV. Remember that departments/programs at Swarthmore may require that their own course summary forms be provided when you submit materials. You will need to acquire those forms directly from those departments.
